**OFFICE ORDER**

**Subject:- Regarding simplification of referral system.**

The matter regarding simplification of referral system was under consideration under this department for quite some time. It has now been decided and Referral system has been simplified by dispensing away with the requirement of authorization for investigations, before actually undergoing these tests, which are necessary to arrive at diagnosis provided the tests have been advised by the specialist of the empanelled hospital to which the patient has been referred to by Authorized Medical Attendant (AMA) or the doctors of Government hospitals / dispensaries. The investigations must be undertaken from an empanelled diagnostic center approved for particular tests under DGEHS. Authorization for undergoing Specific operative / IPD procedure shall continue to be obtained from AMA before actually undergoing the same.
