OFFICE MEMORANDUM

In order to address the concern of air quality in Delhi-NCR, Govt. of NCT of Delhi has reviewed the progress on the subject through the Steering Committee under the National Clean Air Programme (NCAP). The Committee under the Chairmanship of Chief Secretary, in its 10th meeting held on 27/06/2025, has underscored the need for appropriate regulatory interventions to ensure environmentally sound disposal of e-waste.

Accordingly, it has been decided that henceforth, it would be mandatory for the Departments/Autonomous Bodies under Govt. of NCT of Delhi to include a clause in all tender documents pertaining to procurement of goods, services, etc., through any public procurement process, that any e-waste generated during the execution of contracts shall be disposed of only through authorized recycling agencies.
