Subject: Requirement of prior Environmental Clearance (EC) under EIA Notification, 2006 in lieu of Consent to Establish (CTE) – reg.

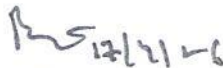

It is hereby informed that Delhi Pollution Control Committee (DPCC), vide its communication dated 10.04.2026, has conveyed that pursuant to Office Memorandums issued by the Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India, projects/activities requiring prior Environmental Clearance (EC) under the EIA Notification, 2006 (as amended) are exempted from obtaining separate Consent to Establish (CTE) (copy enclosed).

Sir/Madam,

1. This is to bring to your kind notice towards the recent changes introduced by the Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India, vide Office Memorandum No. IA-J-11013/20/2025-IA-P dated 25.11.2025. As per this notification, projects/activities seeking prior Environmental Clearance (EC) under the Environment (Protection) Act, 1986 and the EIA Notification, 2006 (as amended) are exempted from obtaining a separate Consent to Establish (CTE) from the State Pollution Control Boards / Pollution Control Committees, including Delhi Pollution Control Committee (DPCC).
2. To operationalize the above exemption, MoEF&CC has issued detailed Standard Operating Procedure (SOP) through Office Memorandum dated 08.10.2025. Under the SOP, comments/NOCs (including any required environmental safeguards) are required to be submitted by the DPCC online through the PARIVESH Portal.
3. In compliance with the above and to ensure seamless implementation in Delhi, Delhi Pollution Control Committee (DPCC) has issued an Office Order dated 03.03.2026 (copy enclosed for ready reference). As per this order, the existing CTE fee structure of DPCC has been adopted as the fee structure for projects applying for Environmental Clearance on the PARIVESH Portal with effect from 01.02.2026.
4. **Key instructions for compliance by all Departments:**
 - All projects/activities of/under your Department that fall within the purview of the EIA Notification, 2006 (as amended) **must mandatorily apply & obtain prior Environmental Clearance (EC)** before commencement of any construction.
 - **Separate application for CTE through DPCC's OCMMS portal is no longer required** once EC is obtained from UTLEIAA.
 - The Project Proponent (concerned Department / Agency / Implementing Agency) shall submit the EC application online on the **PARIVESH Portal**.
 - Upon submission of the EC proposal, the same is forwarded by the concerned SEIAA / MoEF&CC to DPCC through the integrated workflow on PARIVESH for comments / raising of demand note.

268/C

- DPCC will raise a **Demand Note** for the fee **equivalent to the CTE fee** (as per DPCC's approved fee structure) according to Office order dated 03.3.2026.
- The Project Proponent shall make the payment of the said fee **directly through the PARIVESH Portal** (or as per the payment gateway / bank details provided on the portal) and **upload the payment receipt** on the PARIVESH Portal.
- After verification of payment, DPCC shall upload its comments / required environmental safeguards within the stipulated timeline. Inspection is carried out, if required before uploading comments/suggestions.
- The EC, once granted, shall be treated as valid in lieu of CTE. Subsequent Consent to Operate (CTO) shall be applied as per existing rules, before starting operation of the project.

5. All HODs are requested to:

- Issue necessary instructions to concerned officers / project implementing agencies under their control to strictly follow the above procedure.
