w.r.t the query raised by Cfo on pre-page ante 30/N at 'A' the shortcoming letters at C/19, C/30 and Condition no. 9 at C/44 may kindly be perused.

Initially, it was a case of addition/alteration and accordingly building plans were sought at C/19. Later fsc was issued with recommendation of ADO (Baranah) vide letter no. 481 dated 14.07.2021.

Again shortcoming issued vide letter dated 27.09.24 (at C/30). School management submitted building plans in compliance of shortcomings at C/19, however, requested renewal of fsc without basement. Accordingly fsc issued with condition no. 9.

Now school management removed shortcoming no. 1 of shortcoming letter dated 27.09.24 and requested to include basement in fsc. Accordingly, school building was inspected and Corrigendum is recommended. Resubmitted for kind perusal and approval ple.
