The fire protection systems provided in the building were tested, checked and found functional at the time of inspection. The principal of the school has given written undertaking that the school is running at ground and first floor only in a building of ground plus two upper floors and the second floor will not be used for school activity.

Note:- Electric Meter and Electrical Panel are not under the staircase.

Keeping in view of deemed compliance of the minimum standards of fire prevention and fire safety measures as required under DOE circular no. 3298-3398 dated 01/03/2011, it is issued to renew the Fire Safety Certificate recommended F6/DFS/MS/2021/School/WZ/994 dated 07/12/2021 for Ground and First Floor only.
