| 20 | Special Fire Protection System for the Protection of Special Risk, if any. | N/A                                | As above | N/A |

The fire protection systems provided in the premises were checked, tested at random and found functional at the time of inspection.

In view of the substantial compliance of the minimum standards on fire prevention and fire safety required under the rules, issuance of fire safety certificate, under rule 35 of the Delhi Fire Service Rules, 2010 is recommended.

Accordingly, DFA is put up for approval and signature please.
