Sub: Inspection report in respect of The Mandi Chowk (A unit of Ashlyn Restaurant LLP),
located at P3/90, 1st & 2nd Floor, Connaught Place, New Delhi-110001.

Sir,

Please refer to your online application ID. No. 2025051808658 dated 04/06/2025, on the subject cited above. In this connection, it is to inform you that the said premise was inspected by the officer concerned of this department on 24/06/2025 in the presence of Sh. Neeraj Tiwari to check the Fire safety arrangements.

During inspection, it was observed that the restaurant is running at 1st & 2nd Floor, in a building comprised of ground + 02 upper floors. Fire safety arrangements such as fire extinguishers, first-aid hose reel, MOEFA, pumping arrangement & exit signage etc, are provided. However, following shortcomings were observed:-

1. Two exits of 2 x 1.5m are provided but one exit is passing through kitchen at second floor.
2. First aid hose reel is found removed at 1st floor.
3. Internal hydrant is provided but not functional.
4. 450 LPM pump is provided but not functional.
5. Exit signage are found removed.

In view of above shortcomings, the application for renewal fire safety certificate is not considered at this stage & rejected. The occupancy of the building/premises in absence of requisite fire safety arrangements shall be at the risk and liability of the owner/occupier. The licensing Authority/Statutory Authority may take suitable necessary action as deemed fit.

Yours faithfully,

(Aul Garg)
Director
